More recently, the San Francisco Examiner and Chronicle had an article of over seven pages with an eight page pictorial illustration entitled "The Sansei Story". And to shed light on this common topic, the New Canadian will carry this story in a two-part series.

PART I.

A small boy who was in prison had to have surgery requiring general anesthesia. In his drugged dream, he thought he had died. He awoke looking into the smiling white face of a nurse, and he mistook her for an angel. "How good!" he thought—"heaven is integrated."

The imprisoned child was not a Negro civil rights demonstrator. The year was 1943, and he was a Nisei youth in a "relocation" camp in the Rockies. His people were then undergoing the most flagrant oppression any ethnic group of native American has known in our history. The Japanese Americans are the only minority we have officially declared non grata, deprived of property and placed in concentration camps.

That Nisei boy is now a successful S.F. businessman with two teenage Sansei sons—one an Eagle Scout and champion swimming contender, the younger in the 12-member honor class at his large junior high (of the 12, six are Orientals).

The American Sansei—third-generation Japanese, born here of Nisei parents—range from grade-school age to young parents in their late 30's, now raising their Yonsei children. All of us know the Sansei by sight, and cherish them for their quickness their assured ease. But few Californians have any but the faintest

The crime of the Century . . .

Hiroshima Kids Of 1945 Borne Out Of Happiness Into World Of Misery

HIROSHIMA. — Memories of atomic war against Japan do not fade easily but perhaps the most startling "ghost from the past" is the disclosure by the Hiroshima University of the existence of 45 young men and women who were unborn when the A-bomb punished Hiroshima 21-years ago.

All of them are microsephalic (born with an abnormally small head) and in various stages of mental retardation. They are victims of radiation upon their mothers.

Case Histories

A glance at a few case histories reveals the pathos surrounding the lives of these unfortunate beings. Thus:

"Kazuko Sakuma, 20. Father killed by atom bomb. Mother has no regular employment."

"Nobuko Ogusa, 20. Father killed by atom bomb. Mother dead."

"Harue Kimura, 20 Father died of radiation sickness. Mother indigent. Subject's health uncertain."

The case of a young woman named Hiroko is doubly tragic. Hiroko's mother was less than half a mile from the centre of the A-blast and she gave birth to Hiroko 17 days later.

For many years thereafter, the mother suffered from kidney trouble and died in 1962.

Hiroko, described as "suffering from microcephaly as a result of exposure to atomic radiation in utero," developed liver trouble and anemia shortly after she reached her 15th birthday.

Consequently, she had to visit a hospital once a week due to her "radiation sickness."

Suicide

On July 19, a Hiroshima newspaper reported: "Suicide of girl, prenatal atom victim." Another newspaper said: "Gas suicide provoked by atomic sickness." Hiroko, 19, had taken her own life.

Other startling atom bomb-related facts frequently come to light. For instance, some survivors frantically wish to conceal the fact that they were exposed to the bomb.

Thus, one girl's mother kept her daughter uninformed of the truth that 20 years previously she (the mother) had been exposed to the bomb when she was pregnant.

Hurt Marriage Prospect

The mother said: "I kept the truth from my daughter and her friends out of fear that as a young child she might be put at a disadvantage from others as she grew up."

But above all, the mother said she feared the truth would "almost certainly" harm her daughter's matrimonial prospects.

One man of 35 who lost both parents to the A-bomb and himself sustained deep scars on his arms and legs due to the bomb, left Hiroshima to live elsewhere, and for 20 years he told his friends that his wounds were the result of a traffic accident.

TOKYO. — Japan will support nations blocking the entry of Communist China into the United Nations at the General Assembly session scheduled for Sept. 20, the newspaper Asahi Shimbun reported recently.

The newspaper, quoting Foreign Ministry sources, said Foreign Minister Etsusaburo Shiina and other Foreign Office officials have decided to treat the China issue as an "important question" at the coming session.

Japan's "Von Braun" predicts space in 67

TOKYO.—Dr. Hideo Itokawa, who 10 years ago was launching pencil-sized rockets into space, predicts that Japan will launch a sophisticated artificial satellite in 1967 powered by a 42-ton three-stage rocket.

Dr. Itokawa, an internationally-known rocket expert, has also announced a test flight this fall of a Japanese-made four-stage rocket called a Lambda-4S. It is expected to attain an altitude of up to 250 miles.

Indeed, Japan's space program is beginning to step into high gear as Japanese scientists are talking about orbiting eight satellites by 1970—and also sending probes to Mars and Venus.

Japan's first satellite will weigh 155 pounds, and contain instruments for observation of cosmic radiation, solar noise, and ionospheric conditions which affect radio communications.

Dr. Itokawa, sometimes called the "Werner Von Braun of Nippon," says that Japan's MU-4, a three-stage 65-foot long, solid-propellant rocket, will be used to launch the satellite.

For this purpose, the MU-4, designed to produce a thrust of about 220,000 pounds, will be reinforced by half a dozen smaller "Kappa" rockets.

A test firing is scheduled in September at Japan's launching site at the Kagoshima space centre, located on Japan's southernmost main island of Kyushu.

Cost of Japan's first satellite will be in the neighborhood of $300,000.

Immigration officials here to study conditions Step toward more immigrants to Canada

By T. UMEZUKI

TORONTO. — Two officials from the Immigration Dept. in Japan are now in Canada studying job opportunities and general situations and conditions to facilitate Japanese skilled immigrants coming to Canada.

Mr. Ryozo Nagata of the Japan Immigration Service and Mr. Kazuo Murakami of the Ministry of Foreign Affairs have been travelling across Canada on a study tour.

They stopped in at Vancouver, Calgary and Winnipeg meeting Japanese Canadians and arrived in Toronto on August 23. During their stay in Toronto they will visit the Consul-General of Japan, and the Immigration office to discuss matters pertinent to Japanese immigrants. They will also meet with reps. of the JCCA and other local Japanese Canadians hearing their opinions and exchanging views before proceeding to Ottawa.

The results of this tour are important. As reported in this paper on Aug. 20, Canada has opened an Immigration office in Tokyo, and there have been many requests to come here. The immigrant calibre is high and Canada could use these skilled immigrants.

Mifune-Marv. Duo

Academy Award wining actor Lee Marvin will soon begin filming a two-man movie in Japan, it was announced recently.

The pilot of the fium will involve a war story about an American and a Japanese.

Playing opposite Marvin will be Japan's top actor Toshiro Mifune.

Sansei competes in Hawaii smile test

HONOLULU. — Eighteen-year old Lynne Kimoto will compete with 35 girls from all over the mainland of United States in the National Smile Contest held at the Hilton Hawaiian Village.

The contest, sponsored nationally by Jantzen, makers of famous swimming suits, and locally by Liberty House, has been held in previous years in Florida.

Miss Kimoto, who represented Hawaii, said, "The good thing about this contest is that you are judged only on your smile."

She plans to attend the Univ. of Hawaii in the fall to study retailing.

Japan Commie party won't swim with Mao

TOKYO.—The Japanese Communist party indicated recently that it supports Communist North Korea's declaration of Communist bloc.

Red Flag, official organ of the Japanese Communist party, carried a full translation of the lengthy North Korean declaration.

The Japanese party which once was regarded as one of the staunchest allies of Communist China, has removed portraits of Mao Tse-tung from its offices throughout the country—an indication it has also moved to dissociate itself from the militant Peking leadership.

Red Flag carried the North Korean declaration without comment.

Labour day golf tourney

TORONTO.—The grand finale for the Japanese Canadian Golf Club, the Annual Labour Day Tournament, promises to be a slam bang affair with a host of prizes up for grabs.

The golfers, grouped in 3 flights, all have a chance for the first prize, a set of eight irons. This prize will be given to the golfer with the lowest score after his handicap is knocked off. A flighters have a handicap of up to 12, B flighters 13-17, and C flighters 18-25.

The second prize, for low gross, the lowest score for all groups, will be the recipient of a set of 4 woods. Not much chance for the latter flights.

The other handicap prizes are all worth the fee to join the club. A couple of good games and you make for the season. 3rd prize is a bag boy cart, 4th a golf bag, 5th a Hold-all bag, 6th a travel bag, 7th a shag bag, 8th an umbrella, and 9th a set of head-covers.

There will probably be a host of ball prizes also. Novelty prizes will also be given at the banquet at Rolling Hills. There is a most honest golfer prize, one with the highest score. On the 15th hole there will be a prize for closest to the pin. The 17th for the longest drive and the 10th for the shortest drive.

It looks to be an exciting week-end for the JC golfers in Toronto. But golfers from Hamilton and Montreal will be in town to snatch some of the glory.

Sansei QB Stars In All-Star Game

LOS ANGELES. — Ron Fujikawa of Long Beach was the alternating quarterback for the South in the 15th annual North-South High School Shrine game held at the Los Angeles Coliseum.

The south grinding out yardage with time-consuming, monotonous ease, pushed across two late touchdowns for a 24-14 victory over the North.

Quarterback Pete Sanchez, with whom Fujikawa alternated as the number two quarterback for the South, was the goat in the early going of the game. He fumbled twice, threw two key interceptions, passed for one touchdown and crashed over for another in the fourth-quarter rally.

Fujikawa, "player of the year" in Long Beach last year, threw one for touchdown, completed four passes out of eight attempts with two interceptions for 54 yards and made one touchdown.

The 5' 10" tall Fujikawa apparently had trouble due to lack of height. He will attend Stanford University at the end of the season this year.

Japan sends golf pros to Carling's

TOKYO. — Four top Japanese golf professionals will leave Tokyo by an Air India plane next week for London to compete in the second Carling World Open Golf championships at the English Royal Birkdale golf course, Aug. 31-Sept. 3.

Hideyo Sugimoto of the Tokyo Yomiuri Country Club, Kenji Hosoishi of the Shimonoseki golf club, Fujio Ishii of the Fuchu Country Club, and Shigeru Ichida of the Chugai Country Club, qualified for the world championships by gaining sufficient points in the Malayan and Thai Open championships last spring in the Far East golf circuit.

World Tour To Get Judo In Olympics

DENVER. — Toshiro Nakagawa of Japan, after peddling his 10-speed bicycle most of the way around the world, likes America best.

The roads are smoother here, he says.

And Toshiro ought to know.

The 22-year-old youth left his home city of Fukuchiyama on June 3, 1965, armed with two shirts, two pairs of trousers, a raincoat, camera, transistor radio, portable rice cooker, a Japanese-English dictionary — and $30 in cash.

With Southeast Asia, Europe and eight U.S. states behind him, Toshiro two-wheeled into Denver recently.

Interpreter

Speaking through an interprete, Toshiro was aglow with the condition of American roadways.

"They are very smooth and easy to ride on," he said, "not like many I have travelled in Europe."

The youth said he planned his trip a year before he started. He saved boat fare from Japan to France for himself and his bike and has earned the rest of his money by washing dishes in various vountries.

Tanned from his worldly wanderings, Toshiro proudly displayed a small, leather booklet which was crammed with signatures of hundreds of judo instructors—literally from all over the world.

Judo Enthusiast

A judo enthusiast, Toshiro explained that the purpose of his trip was to acquire personally a worldwide petition to "put the sport of judo into competition in the Olympic Games."

Other than that, Toshiro, a muscular 165 pounds (he's lost about 20 pounds in the last year) said he "wanted to see the countries of the world and to train himself physically and spiritually as a person."

He figures if he can maintain his estimated 100 miles a day (that's about 10 m.p.h.), the "physical" part of the goal will take care of itself.

Toshiro, who comes from a family of moderate income, said his parents "strongly opposed" his journey. "But they know I'm alright," he said, "and after a year, they're getting used to it."

$300 Left

The youth, who says he has about $300 with which to complete his trip, estimates total expenditures as far as Denver about $1,300.

Next on his agenda is Salt Lake City, Utah, and then San Francisco, Calif. From there, it's a boat trip home.

Toshiro has made many friends along the way, and the names of many are written in ink on one of his shirts. When he can't find a friendly farmer to put him up for the night in the barn, he curls up in his bedroll beside the road.

Food varies from milk and bread" to "bread and milk spiced with an occasional variety of canned meat. He also cooks some rice when he can find a convenient grocery.

Luckily, the smiling young man has had only two flat tires — one in Europe and the second in Colorado.

Featherweight Challenger Succumbs To Ch...

MEXICO CITY, — Vicente Saldivar of Mexico came off the canvas recently to score a unanimous 15-round decision over Mitsunori Seki of Japan and successfully defended for the fourth time his world featherweight championship.

Saldivar was floored in the fourth round and Seki bored in for the kill but Saldivar's desperate backpedalling and jabbing held the challenger off for two rounds.

Saldivar, his head gradually clearing, regained control by the 10th round. Seki, tiring rapidly, still had the energy to rock the champion at least once in every round.

Saldivar, who weighed 125 pounds to 125¼ for the challenger, was fighting half-blind from the fifth round on. But he drove in repeatedly in the 12th and 13th rounds, backing Seki to the ropes.

The champion, who had taken a mandatory eight count when he was knocked down in the fourth round, put Seki on the floor with a hard right to the head in the seventh round. Seki regained his feet after the mandatory eight count.

The lanky challenger, however, managed to fight his way out of trouble at the last minute in each instance.

In the 14th round, Seki, knowing he was behind on points and seeing his second and probably last chance at the world title fading, called on reserve strength and manipulated a cautious ... divar deftly around the ring.

雷太郎はそんな冗談をいいながら、忠公の後から路地へ出る。

今日も外はからりと晴れた好日和だった。

「忠さん、若旦那は本当に大河原の屋敷へきているのかしら」

表通りへ出てから、お高は前を歩いている忠公に聞いた。

「あっしはたぶん嘘だろうと思うんだ。つかまれば首のつながらない人間が、わざわざあぶない江戸へ舞い戻るはずはねえ。大河原はどこからそんな昔の話を小耳にはさんで、さっそくこんな悪どい狂言をこしらえやがったに違いねえ」

「そうかしら。大河原組は何人ぐらいきているの」

「昨日の顔ぶれとおんなじらしいな。もっともお相撲は出てこられねえだろうけどね」

「雷太郎さん、本当に大丈夫なの」

お高は肩をよせて歩きながら、ひどくうかない顔をしている。

「心配しなくてもいいよ。おれは観音さまの棒なんだ

をつれてきてくださいね。きっとよ」

別れぎわにお高は、忠公にそう念を押すことを忘れなかった。

「旦那、旦那はもうお高の手ぐらい握ってやったんですかい」

二人きりになって、寺町のほうへ曲ると、忠公がさっそく聞いてきた。内心それが気になってしようがないのだろう。

「それだけはやめておいた。餅忠ががっかりすると悪いからな」

「そんな遠慮はいりやせんや。けど、驚いたねえ。娘が一人で男の家へ入りこむなんて、こいつは相当なもんでさ」

「なあに、相手が行儀のいいおれだから、安心して押しかけてきたんだ。それよりな忠公、お高は傳吉の顔ぐらい知っているのか」

雷太郎はそれとなく聞いて見る。

「そりゃ顔ぐらい知ってるでしょうな。あの時分お高はたしか駒形のみやこ屋っていう一杯のみ屋へ手傳いに行っていたはずですからね」

すがね、これは誰かのめかけだつたんです。顔も寒いが、いい女でしてねえ、つまり、若旦那はおまきの間夫気取りになっていたんですが、裏から見るといいように金をしぼられていたってことになるんです」

「その時分、家のほうはもう勘當されていたんだろう」

「そんなことに驚くような若旦那じゃありやせん。親父が留守の時を狙っちゃ、金を取りに行くんです。手づかみで持ち出すんですから、奉公人だってどうしようもない。そのうちに勘當

沿海州の旅（五）

森　研三

―『ウエルカム・ツー・ニューブランズウイック』と太字で書かれたサインがなければ　州境をこしたことに少しも気がつかないほど、ケ州山中の景色と余り變りない連續である。

しかし、海の香りが鼻にのって頬をなでる、という感覺だけは、まずピンときた。陸つづきの州とはいえなにしろ六〇〇マイルの海岸線を持つ沿海州の一つである。そして同州の自動車ライセンス・プレートに、「ピクチュア・プロビンス」（絵のような州）と誇示するだけあって風光明媚である。

キャンベルトン、デルハウジーそしてバーサストはシャルワー湾に面した町々で、その間には大小の川が海に注いでいる。もっと正確にいえば、實際の旅人はこれらの川々がいずれも底をみせ、まるでチョコレートをとかしたような茶かっ色の泥だけをみるのである

ロータイドは細い川も太い川も無差別に水をすっきり持ち去り、川には水があるものと考えるオ州からの旅人を一寸おどろかせる。ゆるやかな丘陵を背景に、濃い水をたたえた川のほとり、農家やバーンが影を落した静かな風景の觀光宣傳…眞は、ハイタイドの時のみに限られた實景だということを、はじめて知るような次第である。

バーサスト町で夜を迎えるまえに、こじんまりしたレストラントで、有名なレストグッチ・サモンを私たち二人が樂しんでいるのを見た觀光客は『魚がおいしそうだ、私たちにも同じものを…』と注文していた。明日はロブスターにしようと語りながらモテルに入った。

ここニューブランズウイック州の干滿潮のひどさはノヴアスコシア州をはさんで位置する大　なファンデー湾をみれば一目瞭然で、なるほどとうなづかれる。したがって州最大都市のセント・ジョンでみられる『リバーシング・フォールス』（逆流の瀧）があり、ファンデー灣ではハシゴをかけて張ったアミにひっかかる魚をとりはずすという場面もあるわけだ。

（セント・ジョンの潮の高さは二一フィート。晩市は一〇・三フィートであるから、その二倍である。）

モンクトン市についたのはひるごろ。そこから『マグネチック・ヒル』（磁力の丘）と呼ばれる自然的な珍現象を体驗するために十分ほどドライブの近さである。うわさに聞くこのグラブル・ロードは長さ約半マイル。その中央あたりが底となっており、そこから約五〇〇フィート宛が両方にのぼり坂となっていて、どこにでもみられる普通の田舍道なのである。

シルクロードの旅

―（十六）―

『こんなところに人間が住んでいる』。部落に入った私は、ぼう然とした。へいの内側に、まことに雑然と並ぶ泥の家は、風にくずれ、雨にとろけて、天然のあなぐらとも見まがえた。ほんとうにどの部分がへいでどれが家なのだろうか。道を歩けば、ホコリとワラ…

村長ゴラムレザー氏のところでは、妻のアミンバスさんが、赤と黄のあでやかな衣裳の若い女と、庭にしゃがみこんで、じゅうたんを織っていた。『サラム』（平安に）『サラム』と、人のよさそうな顔をほころばせて、何度もていねいなあいさつをくりかえす。若い女は、昨年秋、十八歳の長男と結婚したばかりの十五歳…

地面に水平にすえた至極簡單な織機には赤い原色のめだつ一疊ほどのじゅうたんが、もうほとんど出來上がっていた。『毎日毎日織って二ヵ月かかったんですよ』アミンバスさんは、さもうれしそうにいった。

部落の中を回ると、他のどの家でも、派手な衣裳の女たちが、同じようにじゅうたんを織っていた。一人の女が、私たちがもっているカメラと自分を指さして『寫眞をとってほし…に冷かしの聲をあげた。

この女たちのこの開放ぶり。近づいても避けようとはせず、チャドルなんて全く見かけない。首をかしげた私に『織機からでもわかるように、かつて彼らが割りに男女平等な遊牧民だったからでしょう』と案内の人がいった。イスラム教徒の女が、よその男を避けるのは、もはや絶對のことではない、と私は思った。

公益を第一義に 首相労使に訴う

鉄道ストは一週間以上続くか

【オタワ】ピアソン首相は、今週、鉄道スト危機に直面しているカナダ人に対し、全国テレビ放送を行い、鉄道会社及び労組指導者に、まず公益を第一義におくべきだと警告した。ピアソン首相はカナダ現在のインフレ傾向は、鉄道従業員の過当賃銀要求によって更に悪化することは必至であり、この際労使双方が常識を用い、相互の歩みよりを強く訴えた。

更にピアソン首相は、カナダ国内で一般市民に直接影響を及ぼす郵便、埠頭そして鉄道関係の労働者が職場をはなれること、労働紛争が相次いで起っている事態は重大であり、スト行使権は尊重されるべきであるが、その行使に対する重大責任を十分にわきまえるべきであると述べると共に、何よりもまず公益が優先するものであることを重ねて強調した。

ニコルソン労働大臣は労使双方代表らと連日会合して、鉄道スト回避に努めているが、労組代表は要求が全面的に認められない限りスト決行の態度をくずしておらず、鉄道ストは避けられない状態である。ストは臨時議会が召集されてから少くとも一週間はつづくものとみられるにいたっている。

観光客が立往生恐れる

六千余人フェリー前に大行列

鉄道ストを目前にひかえて、プリンス・エドワード島州で観光中の旅行者約六千人は、ノヴァ・スコシアにわたる唯一のフェリーのサービスが中止されるまでにと、フェリー波止場前に大きなライン・アップをつくっている。

同島のキャンベル首相はこのフェリーの運営が止まれば、州全体の経済をマヒ状態におくものとして、緊急命令を発令、フェリーを州政府が一時的に接収すると発表した。

ある旅行者は『この島はすばらしくよいところだが出るには全く厄介なところだ』と不平をこぼしており六千余の観光客がスト決行日までにノヴァ・スコシア州に渡れるかどうか憂慮されている。しかし、残留者は政府が雇う乗組員でともかく運航をつづけるから心配はいらないと同首相は観光客に落ちついて見物するよう呼びかけている。

北京市内 紅衛兵暴れる

家具、貴重品持ち出して破壊

【北京】偉大なるプロレタリア文化革命の掛声にのせられた北京の少年少女からなる紅衛兵は、毛沢東主席を神さまにまつりあげ、市内のブルジョアー的住宅や住民に対し、暴力をふるって公衆の面前で、家具や貴重所有品を持ち出して破壊し、通行人のうち身なりの立派な婦人をつかまえて棍棒でつつき、手提げカバンからゼイタクと見られる物品をとりのぞくなど、少年少女のテロ行為が公然と行われている。

このあばれ放題の紅衛兵はすでに二、三日も北京市内を横行して止まるところがないが、毛主席を謳歌する歌の文句にある『東は紅』というのを北京の名前に換えよと要求しており、市内にある教会も彼等があばれる対象建物となっているという。

サイゴンを走る

【東京】日本のメーカーは軍隊が使用するモーター・バイスクル二三、五〇〇台を南ベトナムに売却したと今週発表した。

カナダへどうぞと 日本で大いに宣傳

店びらき

〇…お隣のアメリカとは対照的に、観光宣傳も控え目だったカナダが、来年四月、モントリオールで開く万国博を機会に、観光カナダを大いに売出そうと、このほど、東京にカナダ政府観光局を店開きした。

〇…"カナダドル"は、現在一ドル約三百三十円で換算されているが、アメリカに比べると、ホテル代をはじめ物価はずっと安く、国内航空運賃も、海外旅行者の場合、夫婦、子ども連れだと二五％から五〇％割引という特典もあって海外旅行者天国です』とは、支配人のメル・スコット氏の話

〇…観光局にはフォト・ライブラリーやフィルム・ライブラリーもあって、無料貸出しもするという。このほか、カナダ旅行に関するいろいろな相談にも無料で応じてくれる。

安保理に席を

【国連】国連安全保障理事会の理事としてカナダも候補に立つことを同意し、すでに二十カ国の支持をうけているので、来る国連総会でカナダが来年安保理内に席を持つことはほとんど確定している。

人種會議

カナダ調印

【オタワ】一切の人種差別を除去するための国際会議にカナダ政府は調印したと今週発表した。国会の承認を必要とするものであるがこの無差別人種会議は昨年末国連によって満場一致で可決されたものである。カナダ政府はある条項は州の権限内にあるので各州と打合せの上、この会議メンバーとして調印を行ったものである。

西歐並み

日本人の壽命

【東京】鈴木厚相はこのほど昨年の国民の平均寿命や成人の死因などについて報告した。これによると昨年の平均寿命(昭和四十年に生れた赤ちゃんが平均して何歳まで生きられるかを統計的に推定した数字)は、男六七・七三歳、女七二・九五歳で前年に比べ男は〇・〇六歳、女〇・〇八歳だけ延びている。

この平均寿命は世界で最も寿命の長いノルウェー、スウェーデン、デンマークの北欧三国の男七一歳、女七四歳ないし七五歳よりも劣るが、フランス、イギリス、西独の西欧三国とほぼ同じとなっている。

参加打診を訓令

【東京時事通信】外務省は東南ア連合提案のベトナム平和アピール成功のためには非同盟諸国の参加がカギとみており、このほど非同盟諸国の参加を打診するよう出先各大使館に訓令した。

しかし外務省としてはこれによりこれら諸国の参加がなければベトナム平和アジア会議を開くべきでないとの態度である。外務省筋が今週明らかにしたところによると、日本がこのほどタナット・タイ外相あての椎名外相書簡でアピール参加を通告したさい、非同盟諸国の参加が必要であるとの留保条件を付したといわれる。しかし現在までのところアピール参加を正式通告したのは日本だけで、共産圏およびパキスタン、カンボジアなどはこれを拒否する方針を明らかにしており、非同盟諸国は慎重な態度をとっている。

ピーシー選挙

候補一二七人

【晩市】来る九月十二日のピーシー州総選挙に先週末まで議席五五に対し各党合計一二七名の候補者をあげた。社会信用党は四四名、新民主党は四五名、自由党三〇名で共産七、独立一名となり、保守党はまだ一名もあげていない。

椎名外相

演説の骨子

【東京時事通信】外務省は帰国中の松井国連大使を交え、第二十一回国連総会における椎名外相の一般演説について検討中だが、今年は日本の国連加盟十周年にあたることから改めて国連がこれまで果たしてきた平和維持機構としての機能を高く評価すると共に、国連中心外交をとなえる日本の基本的外交姿勢について加盟各国に強く訴える考えである。これと同時に低開発国の開発問題を大きく取り上げ、国連機能の評価と共に椎名外相演説の二本柱としたい意向である。

國会に學生團乱入し

スカルノを強く非難

【ジャカルタ】二十五日約五千名の学生群が物々しい武装軍隊の護衛線を突破し折から進行中の国会を中絶させ、このほどスカルノ大統領が行った演説に対する釈明を要求した。

国会はスカルノ大統領が『インドネシアは連邦マレーシアと仲直りするつもりはないし、国連に復帰することを急がない』といった演説について討議中であったが、学生団が国会に入り込み、スカルノ大統領の演説を国会が十分に検討せよとの要求書を手渡すと共にマレーシアとの国交回復、国連復帰を強く促した。

学生団はスカルノ大統領を国会に呼び出し、彼の演説について釈明させるか、さもなければ追放せよと要求している。

郵便従業員も

年末にストか

【オタワ】カナダ郵便局従業員労組(一万一千)代表者は増賃三九％を要求し、クリスマスまでにそれを獲得しなければストライキに突入するだろうと今週明らかにした。労組は各郵便従業員の時給を一弗ないし一弗一六仙増す要求をつきつけることになっており、もしそれが拒否されれば年末の最多忙時にストライキにはいるというのである。

Reischauer regrets leaving, OK's Johnson

TOKYO. — U.S. Ambassador to Japan Edwin O. Reischauer said he was resigning his position "with regret" for personal reasons.

The scholar-statesman admired here for his knowledge of the Japanese language, people and nation, said he and his wife would be returning to the United States in body but not in spirit. He said he would return to his academic career at Harvard.

He said he was personally delighted that President Lyndon B. Johnson had chosen U. Alexis Johnson as his successor.

Reischauer, who arrived here in 1961 soon after the anti-Japan-U.S. security pact riots which forced President Eisenhower to cancel a visit to Japan, is credited with strengthening the close ties between the two countries.

"It is with a deep sense of regret that my wife and I are now bringing to an end our more than five years of service at the American Embassy in Japan, but . . . . the reasons for leaving Tokyo seems to us to now outweigh those for staying. They are purely personal considerations."

Reischauer said he felt that he and his wife were "becoming physically tired" and said they felt they should relinquish their positions "to others who could take up those heavy task with fresh enthusiasm and vigor."

LONDON. — Karate expert Michael Payne thrilled the boy scouts at a fete here as he blasted a board with his bare hand, battered a roof tile, and crushed three bricks with the same devastating blow.

Applause echoed through the hall as Payne stepped before a fourth brick, brought the hammer-like hand streaking down and screamed with pain.

He was taken to a hospital with a broken hand.

THE SANSEI STORY . . .

(Continued from Pape 1)

notion how very special a group they are.

Collective Miracle

Sociologically, the are a collective miracle. Today, barely 20 years after their return to the coast in 1945, they are universally liked and accepted, and their record is better than that of any other group in our society, including the white majority.

Japanese Americans are at the top of the list for achievement, at the bottom of the list for delinquency and crime. In years of school completed, in grade-point average, in percentage of males in white collar jobs and in professional fields (here they more than double the white percentage)—even in years of life-expectancy—they lead the field.

A few years ago a wealthy British-born socialite in the Bay Area set up a university scholarship to be awarded for all-round excellence. The first year it was won by a Japanese American youth. Surprised, the donor said "Well, how nice." The second year it was won by another J-A youth. "Well!" said the donor. After a third Sansei won it in the third year, the donor—his Anglo-Saxon pride battered—withdrew the offer.

His action would neither surprise nor daunt the Sansei. They too know something of tribal pride. But in seeking to explain what Prof. William Petersen of USC, writing recently in the New York Times Magazine, calls "this unprecedented success story," what emerges strongly in talking with both Sansei and Nisei is that highly personal pride, the standing of the individual among his peers—the very Oriental idea of "face."

The values involved in face are ethical, not material. Unlike our concept of "status," it has not in the outward signs of success but in the discharge of obligation to specific groups—to family first, then to friends, then to ever wider groups (class-mates). school, on up to the Nation). Success—social or material— only extends the area of obligation, which can lead to such prodigies of heroism as the kamikaze pilots. "Less of face," resulting from failure to meet can lead to ritual suicide by hara-kiri.

Pearl Harbor Attack

For the U.S. Nisei, the Pearl Harbor attack was a traumatic cataclysm—a sudden, abysmal loss of face with their fellow citizens. Precisely because they were Americans, not Japanese, they did not contemplate mass hara-kiri but it was their deep sense of face—the strong drive to repair their standing—which made it possible for them to overcome the wartime injustices without becoming embittered.

"There was nobody to hate," says a local Boy Scout leader, "except Gen. DeWitt, and he hated our guts anyway." (Gen. John L. DeWitt signed the Exclusion Order barring persons of Japanese descent from the coast area). The statement implies that other Americans might be willing to change their mind about the loyalty and worth of the Nisei. They were and they did—most of them long before the war was over, due to the record of heroism racked up in Italy by the 442nd Infantry Battalion of Nisei volunteers.

Every member of the 442nd fought as if the future of his people in America hung on his personal bravery—as, in a way, it did. But the internees back home had their battle, too.

"We just tried harder," smiles Masao Satow, national director of the Japanese American Citizens League, "whenever we met some new form of prejudice." The community smarted under indignity, of course, but the abrasive action of their trials only sharpened their determination to win through.

Relocation Camps

The relocation camps became centres of strategy for rehabilitation. There and in later JACL-sponsored conferences, they stressed education as the key to opportunity here and decided that their best future lay in the sciences and in business. An unprecedented high percentage of Nisei gained college degrees—but very few were in the liberal arts or social sciences.

When they returned to the City after the war, their one-time ghetto (in the blocks near Fillmore and Geary) had been largely pre-empted. (Many did not return: San Francisco's present J-A population of about 11,000 is much less than the pre-war figure.) They were forced to disperse throughout city and suburbs—a fact which accelerated their acculturation (just as, conversely, the persistence of Chinatown has maintained the ethnic difference of the Chinese Americans).

And they stopped speaking Japanese at home—the first ethnic minority to lose their native language in a single generation. But language is the umbilical cord to a culture (particularly so with Japanese, where whole societal attitudes are embodied in set idiomatic phrases). The Sansei experienced an abrupt cut-off from the tradition which made possible their parents' success and their own.

They now face a strange and serious problem, without precedent here: the problem of a non-conforming excellence.

Clark looks back . . .

US Sup. Court Judge "A Big Mistake"

Supreme Court Justice Tom Clark, the man who (1) after the start of WW II headed the Wartime Civilian Control Administration which effected the evacuation of Japanese Americans from the West coast, (2) during the war commanded forces which included the now-famed all-Nisei troops, (3) went on to be appointed to the nation's highest judicial body, was quoted last month as confessing that his "part in the evacuation of the Japanese from California in 1942" was one of his "mistakes" that he would "acknowledge publicly."

Justice Clark's remarks were contained in an interview which was published in the July 10th issue of the San Diego (Calif.) Union.

"I have made a lot of mistakes in my life," he said, "but there are two that I acknowledge publicly. One is my part in the Evacuation of the Japanese from California in 1942 and the other is the Nuremburg trials." (Justice Clark was at the time of the trials the U.S. attorney general.)

Of the Nuremberg trials of top-echelon Nazi officials, Clark said, "I don't think that they served any purpose at all. I think that all they do is give other countries — like Castro in Cuba, for example — the excuse whereby he could legalize assassination of his enemies at a trial."

Asked if he would "do it again," Clark replied, "I would not recommend it."

Evacuation "Bad"

In answer to the question, "Wouldn't you say the Japanese evacuation was influenced by wartime hysteria?" the Justice said, "We should not let those things influence us."

Asked to define his role in the evacuation, he replied, "I was a civilian coordinator for the Army. I didn't pick them up physically and move them out, but I issued the orders.

"The reason I say that I think it was bad is because, well, even way back a citizen always had preferred position. In the Bible, it says, 'I am a Roman citizen — a subject of Rome and am entitled to this and that and the other.' (sic)

"It's the same with an American citizen in my book. We picked up these people — they were, of course, of foreign extraction, but they were our citizens — our fellow citizens.

"We picked them up and put them in concentration camps. That's the truth of the matter.

"And as I look back on it — although at the time I argued the case — I am amazed that the Supreme Court ever approved it."
